## TERMS OF SUBSCRIPTION TO THE MERCANTILE AGENCY.

MEMORANDUM of the Agreement between DUN, WIMAN & Co., Proprietors of The Mercantile Agency, on the one part, and the undersigned, Subscribers to the said Agency, on the other part, viz.:

The said Proprietors are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has mainly been, and shall mainly be obtained and communicated by servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said DUN, WIMAN & Co. The said information to be communicated by the said DUN, WIMAN & Co. in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written, or printed information communicated to us, or to such confidential clerk, as may be authorized by us to receive the same, and all use of The Reference Book hereinafter named, and the Notification Sheet of corrections of said Book, shall be strictly confidential, and shall never, under any circumstances, be communicated to the persons reported, but shall be exclusively confined to the business of our establishment.

2. The said DUN, WIMAN & Co. shall not be responsible for any loss caused by the neglect of any of the said servants, attorneys, clerks, and employés, in procuring, collecting, and communicating the said information, and the actual verity or correctness of the said information is in no manner guaranteed by the said DUN, WIMAN & Co. The action of said Agency being of necessity almost entirely confidential in all its departments and details, the said DUN, WIMAN & Co. shall never, under any circumstances, be required by the subscriber to disclose the name of any such servant, clerk, attorney, or employé, or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said DUN, WIMAN & Co. are hereby requested to place in our keeping, for our exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of such business men, in such States as may be agreed upon, prepared by them or the servants, clerks, attorneys, and employés aforesaid, together with Notification Sheet of corrections. We further agree, that upon the delivery to us of any subsequent edition of The Reference Book, the one now placed in our hands shall be surrendered to them; and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be given up to the said DUN, WIMAN & Co., it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said DUN, WIMAN & Co., and that failing to surrender the same at the expiration of subscription, DUN, WIMAN & Co. may regard the subscription as remaining in force, and require us to pay at this subscription rate for the same up to the time when the said books are surrendered.

4. We will pay in advance Dollars for one year's services,  
from date hereof, of said DUN, WIMAN & Co., together with the use of said Reference Book, pursuant to the foregoing conditions; and, subject always to the conditions and obligations above mentioned, the same sum annually thereafter, in advance, unless within ten days after the commencement of any subscription year, we notify DUN, WIMAN & Co. in writing to the contrary. The conditions and obligations of this agreement are understood by the Subscriber to apply from the date of signing this contract, and to all information or books furnished to said Subscriber after that date. It is fully understood and agreed that the contract between said parties is fully and entirely expressed hereby, and that there is no parol or verbal contract, agreement or understanding of any kind, whereby the terms hereof are, or can be changed, varied, modified, or explained in any manner whatever.

5. DUN, WIMAN & Co. are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

6. If the inquiries for detailed reports during the year shall exceed in number,  
the excess we agree to pay for at the rate of Thirty three and One-third Dollars per hundred.

# ABSTRACT OF ASSIGNMENT AND COLLECTION LAWS IN DOMINION OF CANADA.

## ONTARIO.

**Arrest and Imprisonment for Debt.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of \$100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of *capias* so issued is the commencement of the action.

**Assignments.**—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

**Attachments.**—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit, of real or personal property, credits, or effects, not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

**Bills of Exchange and Promissory Notes.**—These are governed by commercial law as to days of grace, protest and notice, the Ontario Statute not varying materially in this respect. Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six percent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of —," the words "until paid" are added, the named rate can be collected till date of payment of note, otherwise, without these words (or other of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

**Chattel Mortgages.**—Must be filed within five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situated.

**Commissions.**—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court, a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

**Contracts of Married Women.**—Married women may contract and are liable on contracts to the same extent as *femes sole*, but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract, and at time of judgment. She may make notes and is liable thereon subject to above qualifications.

**Execution.**—Execution can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for six months longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Execu-

tions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments in division courts for amounts exceeding \$40 may be made judgments of the county court, and executions thereon issued against lands.

**Exemptions.**—The exemptions from execution are beds, bedding, and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles; all necessary fuel, meat, vegetables, fish, flour—not more than sufficient for ordinary consumption of debtor and family for thirty days and not exceeding in value \$40; one cow, four sheep, two hogs, and food therefor for thirty days; tools and implements of or chattels ordinarily used in debtor's occupation to value of \$60; bees reared and kept in hives to the extent of fifteen hives; no real estate.

**Interest.**—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

**Judgments.**—Judgments may be obtained during vacation. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. In division courts in eleven days after service, if defendant resides in county where suit commenced, or twenty-one days, if defendant resides in another county than the one sued in. These judgments, of course, are judgments by default. In contested cases, from one month to three months, except where no defense on the merits can be shown, when judgment may be entered under order of the court. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—Superior courts unlimited jurisdiction; county courts up to \$400, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to \$200. In division courts upon any note, bill of exchange, or any debt or money demand, the balance of which does not exceed \$200, where the amount or original amount is ascertained by the signature of the defendant. In other cases, any unsettled balance, where it does not exceed \$100, and where such is a balance of an account not originally exceeding \$400. Notes and accounts are outlawed in six years from time they become due.

**Verification of Accounts.**—Verifications of no use, and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

## QUEBEC.

**Assignments.**—Any creditor may make a demand on a debtor to make an assignment or "cession," if debtor refuses then *capias* may issue. A debtor may be compelled by issue of writ of *capias* to make a "cession" or assignment of his estate to a curator appointed by the court, on advice of a meeting of creditors. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

**Attachments.**—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**Chattel Mortgages.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**Commissions.**—Commissions can issue from the circuit court and superior court.

**Contracts of Married Women.**—A wife, who is a public trader, may, without the authorization of her husband, obligate herself for

all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

**Execution.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Execution can only be stayed by opposition of defendant, supported by affidavit, which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day mentioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

**Exemptions.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value \$40. One cow, four sheep, two hogs and food therefor for thirty days; Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

**Interest.**—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

**Judgments.**—Judgments may be obtained all the year round, except from 10th July to 31st August, and a few days at the end of each month. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**Jurisdiction of Courts.**—Circuit court up to \$100; superior courts, all amounts above \$100; notes and accounts are outlawed in five years.

**Verification of Accounts.**—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.
